2. Sr. No. 61536:- Necessary correction has been carried on at p. of the C/S.

3. The file deals with Reso. No. VIII passed by the Bombay P.W.D. Subordinate Work-charged Estbt. Assocr at its 12th Annual Conference. The question under consi eration is whether members of the Work-Charged Estbt. when placed in charge of permnt. beats may be granted a p.t. a. of Rs. 17½ p.m. (Rs. 10 Rs. 7½ tmpy. increase as per G.R., P.W.D., No. 1922/36-IX, dt. the 2nd Jany. 1948 as subsequently modified. The local Officers consulted in this connection have unaanimously recommended the proposal. The demand seems to be resonable in as much as a similar code of conveyance as is being used by the permanent maistries and karkoons will have to be used by the members of the Work-charged Estbt. when placed in charge of permanent beats. The S.E., S.G.C. has further stated that a p.t.a. may be granted to all irrespective of the incumbent being permanent, temporary or Work-charged establishment in chargees of permanent beats or section, while the S.E.D.I.C. has recommended a c.a. of Rs. 15 p.m. to the subordinates.

4. The proposal to grant a p.t. a. Rs. 17 ½ p.m. (Rs. 10 Rs. 7½ tmpy. increase) to work-charged maistries & karkun in charge of permanent beats may be recommended and the papers may be referred U.O. to the F.D.

No. G.R. 69. Public Works Department,
Belgaum: 3rd June 1949.

Subject: Resolutions passed by the Bombay P.W.D. subordinate W.C. Estt., Association at its 12th Annual Conference.

Reference: G.L. (P.W.D.) No. S-37/42(2)/16318-E(II), dated 11-4-1949.

My view on the resolution No. VIII & IX passed by the Association referred to above are as under:-

(1) Resolution No. VIII Re: P.T.A. to Workcharge Establishment on permanent beats:

I agree that members of the workecharged establi hment when placed in charge of regular beats should b entitled to P.T.A. attached to that beat.

(2) Resolution No. IX Re: Increase in the number of Maistries posts.

At present the proportion of Maistries & Karkuns is generally fixed at 1:3 with a viesw to increase the efficiecy in this Department. It is desirable to increase the proportion slightly say 2:5 and restrict ing the promotins to the posts of the mainstries stri tly on gorounds of merit instead of on the basis of seniority.
